**FIRST-EVER LIST OF THE 5,000 FASTEST-GROWING BUSINESSES  
REPORTS TOTAL REVENUE OF \$194.5 BILLION**

*MD On-Line Ranks No. 3076 on the 2007 Inc. 5,000  
With Three-Year Sales Growth of 104.6%*

**NEW YORK, August 23, 2007** – Inc. today ranked MD On-Line No. 3076 on its first-ever Inc. 5,000 list of the fastest-growing private companies in the country. The Inc. 5,000, an extension of *Inc.* magazine's annual Inc. 500 list, catches many businesses that are too big to grow at the pace required to make the Inc. 500, as well as a host of smaller firms. Taken as a whole, these companies represent the backbone of the U.S. economy.

"The Inc. 5,000 provides the most comprehensive look ever at the most important part of the economy – the entrepreneurial part," said Inc. 5,000 Project Manager Jim Melloan. "The expansion of the list has allowed us to tell the stories of larger companies, older companies, and a wealth of companies in industries like Manufacturing and Construction that are underreported in the business media."

MD On-Line's CEO Bill Bartzak credits the company's focus and persistence with Health Insurance Payers and Healthcare Providers for the company's outstanding growth to date. He said, "By attending to our core strengths and committing ourselves to technological excellence and first class customer attention, MD On-Line has succeeded in meeting many of the challenges facing our industry."

The 2007 Inc. 5,000, as revealed online at [www.inc.com](http://www.inc.com), reported median revenue of \$9.4 million and median three-year growth of 140 percent. Complete information on this year's Inc. 5,000, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000). The list features a profile for each company, almost all of them written as a result of *Inc.* interviews with management. In addition, the list is searchable according to numerous criteria, including industry, city, state, region, and year founded.

**Methodology**

The 2007 Inc. 5000 list measures revenue growth from 2003 through 2006. To qualify, companies had to be U.S.-based and privately held, independent – not subsidiaries or divisions of other companies – as of December 31, 2006, and have had at least \$200,000 in revenue in 2003, and \$2 million in 2006.

Companies can apply for next year's Inc. 500 and Inc. 5,000 by registering with IncBizNet, the new social network for private companies that will launch this fall on Inc.com.

**About MD On-Line**

Founded in 1995, MD On-Line, Inc. is a health care technology company focused on "Transacting the Business of Health Care". The company provides solutions fostering connectivity between health care payers and providers to facilitate transactions and reduce

related costs. Privately-held, the company processes in excess of two million electronic transactions per month, and is the preferred solution provider for some of the largest medical insurance companies in the country. With offices in New Jersey and California, MD On-Line has previously been included on the Inc. 500 (2004) as well as twice being named to the Deloitte & Touche Fast 500 and New Jersey Technology Fast 50 list of companies.
