

MD On-Line Named to 2013 NJBIZ List of 50 Fastest Growing Companies

PARSIPPANY, NJ, October 9, 2013—MD On-Line, Inc. (MDOL), a leading provider of electronic healthcare solutions that leverage data to improve practice efficiency and industry connectivity, has been acclaimed as one of New Jersey's 2013 50 Fastest Growing Companies by NJBIZ, New Jersey's premier business news publication. Named #31 on the 2012 list, MDOL was initially selected to the NJBIZ list of fastest growing companies in 2010, in addition to being named 2011 NJBIZ Business of the Year.

MDOL President and CEO Bill Bartzak attributes the company's growth to the high level of progressive thinking typical of its employees. "Our unique ability to remain at the forefront of our field is directly attributable to the collective intelligence and insights provided by MDOL employees," said Bartzak. "Through practicing constant innovation, MDOL is able to expand its physician network and further leverage data to deliver value and enhance patient care. We're thrilled to be doing our part in helping to revitalize the NJ economy, and we extend heartfelt congratulations to our fellow honorees."

The 50 Fastest Growing Companies awards program honors New Jersey's most dynamic businesses that progressively contribute to the state's economic growth and stability. Produced by NJBIZ, this year's program is presented by ParenteBeard, LLC, and sponsored by Archer & Greiner PC, Comcast Business, Mass Mutual, M&T Bank, and UnitedHealthcare. To qualify, companies had to meet selection criteria that included a revenue size of at least \$500,000 within the past 2 out of 3 years and growth in revenue over a 3-year period, dating from fiscal year 2010 to 2012.

NJBIZ will honor this year's 50 fastest growing companies and reveal their ranking during an awards dinner and ceremony held on Tuesday, November 19, 2013, at the Palace at Somerset Park in Somerset, NJ. Winners will be also be highlighted in a special supplement to NJBIZ on November 25. For more information about the NJBIZ 50 Fastest Growing Companies awards program, please visit www.njbiz.com/events.

About MDOL

MD On-Line, Inc. (MDOL) is a proven industry-leading provider of electronic healthcare solutions that leverage data to improve provider workflow and industry connectivity. Endorsed and co-branded by more than 40 major insurance companies, MDOL applies its cloud-based technology to optimize provider offices, improve patient care, and eliminate inefficiencies within our healthcare system. Its "all-payer" EDI solutions connect to more than 2,200 payer organizations and are used by tens of thousands of providers nationwide. In addition to claims processing, MDOL offers a full suite of Web-based solutions, including an intuitive PM/EMR system, revenue cycle management, medical transcription, ERAs, patient statements, and credit card processing. For more information, please visit www.mdol.com.

About NJBIZ

NJBIZ, New Jersey's only weekly business journal covering the entire state, was founded in 1987. The publication has received numerous statewide and national awards, including the 2010 silver award for best business journal from the Alliance of Area Business Publications and the 2006 Most Improved Award from AABP.

NJBIZ is owned by Journal Multimedia, a multi-title publishing and events company based in Harrisburg, Pennsylvania. For more information about Journal Multimedia, go to www.journalmultimedia.com.
